॥ The Main Objectives of the Gau Samman Aahvaan Campaign ॥

(To achieve these objectives, we will work within the framework of the Constitution of India with the Central Government and all State Governments, for the dignity of the Cow Mother.)

- * **Service:** (1) To ensure that Gomata (Cow Mother) receives the highest level of service, research, and grants.
- * **Protection/Security:** (2) To ensure the complete abolition of cow slaughter from India.
- * **Respect/Honour:** (3) To grant Gomata (Cow Mother) the fundamental right of National Mother, National Deity, National Heritage, or National Asset.
(Rastra Dharohar or Rastra Aadhar – National Heritage or National Foundation/Basis).

॥ Glory of Gomata ॥

- (1) Gomata holds the power of 33 crore (330 million) deities within her name.
- (2) The milk of Gomata (cow's milk) is equivalent to the nectar of immortality and grants the well-being of the whole world.
- (3) Cow dung and cow urine are necessary for natural farming, the health of the earth, and human health.
- (4) Indian culture, tradition, sanskars (values), and the ecosystem of life are incomplete without Gomata.
- (5) National security, national pride, national protection, national peace, and the real development of the nation are not possible without the service, protection, and respect of Gomata.

Gau Samman Aahvaan Abhiyaan – Action Plan

Every district headquarters will be connected with at least 3 Go Bhakts (**Cow Devotees**) and 3 Go Sants (**Cow Saints**), which includes one Go Bhakt and one Go Sant as regional heads, and two Go Bhakts and two Go Sants for their support. Furthermore, in every district that has six major divisions (**Maharup**), a minimum of 3 Go Bhakts and 3 Go Sants will be connected to every Tehsil (**sub-district**) headquarters, including one Go Bhakt and one Go Sant as the Tehsil head, and two Go Bhakts and two Go Sants for their support.

These Go Bhakts and Go Sants will work on the following points:

1. During five months (**December, January, February, March, April**), deep awareness and public contact will be done to connect all of Sanatan Indian society with the campaign.
2. On **27 April 2026 (Monday)**, all cow devotees and saints of that region must go to the Tehsil/Block office and submit request letters in the name of the **President, Prime Minister, Governor, and Chief Minister**.
3. For the next 2.5 months (**May, June, July**), positive communication with the government will continue. If by **10 July 2026** a favourable response comes from the state or central government, then on **27 July 2026 (Monday)**, all districts will thank the government.
4. If no favourable result appears by the fixed date, then on **27 July 2026**, request letters will again be submitted to the District Collector.
5. During the next 2.5 months (**August, September, October**), positive communication will continue. If by **10 October 2026** a favourable response appears, then on **27 October 2026 (Tuesday)**, all state capitals will be visited to thank the government.
6. If for any reason no positive result is received by that date, then on **27 October 2026 (Tuesday)**, all appointed district and tehsil saints, along with their respective district's cow devotees, will go to their provincial capital and, through the Chief Minister and the Governor, submit a request letter to the State Government Secretary in the name of the Honorable President of India and the Prime Minister of India.

Gau Samman Aahvaan Abhiyaan – Action Plan

7. They will again wait for three months (November, December, January) while maintaining positive dialogue with the government. If, after waiting three months, a desired and appropriate result is received from the state government and the central government by 26 January 2027, then on 27 February 2027 (Saturday), the appointed saints and cow devotees of all 5000 tehsils and 780 districts of 36 states will prepare for a month and arrive in Delhi with many (more than one crore) cow lovers to thank the government.

8. If, for any reason, no positive action is taken by the government for cow service, cow protection, and cow respect even by 26 January 2027, then all appointed cow saints and cow devotees of 36 provinces, 5000 tehsils will prepare within a month and, bringing the maximum number of cow lovers, will arrive in the nation's capital, Delhi, on 27 February 2027 (Saturday). They will hold a peaceful symbolic protest (sanketan) and call upon the Central Government for cow service, cow protection, and cow respect through regular letter writing. These cow devotees will stay in Delhi for five and a half months, i.e., until 15 August 2027 (Sunday), continuing their regular prayers for cow service, cow protection, and cow respect to the government.

9. In this symbolic protest gathering, cow lovers, cow saints, and executive members from different districts of the country will participate on different dates, taking a turn of 7-7 days from each district. If, after five and a half months of prayer (including Kirtan) and waiting, the Prime Minister makes an appropriate address regarding cow service, cow protection, and cow respect from the ramparts of the Red Fort on 15 August 2027, then all cow devotees will thank the government and return.

10. If, after 16 months of peaceful prayer across the four stages (Tehsil, District, State, and Centre), the government still does not provide appropriate and desired results for cow service, cow protection, and cow respect, then from 16 August 2027 (Monday), 5-5 cow devotees and saints will go on a fast unto death. If any cow devotee sacrifices their life for the cow's welfare during the fast, another cow-loving saint/devotee will take their place in the fast unto death. This cycle will continue until cow service, cow protection, and cow respect are achieved.
